

Your rupee can change someone's year.

Last year, what this parish gave kept students in school and helped pay for a heart operation. This year, one day of games, food and films can do it again.

LAST YEAR, YOU MADE THIS HAPPEN

₹94,300

raised and given out, every rupee accounted for

₹34,300

school fees and exam costs for students

₹60,000

medical bills, including a heart operation

OUR 2026 PROMISE

Everything raised, after event costs, is split three ways, as announced before the fair.

40%

Education

School fees, books and exam costs for children who'd otherwise drop out.

30%

Medical Care & Needs

Hospital bills and essentials for families going through a hard stretch.

30%

Emergency Fund

Held in reserve and released the moment it's needed most.

No fees. You pay the parish directly by UPI.

Every rupee in and out is recorded on a public ledger.

Your amount is never shown. Only your name, if you like.
